

1. My family and I are loyal listeners of the K-LOVE radio network. Whether at home or traveling throughout the country, we know that we can hear family-friendly music, commentary, and wholesome programming. K-LOVE is the only such station serving our community.
2. If K-LOVE were to be replaced by an LPFM broadcaster providing other programming, I am afraid we would be subject to the same taste-less, raunchy music and messages as are currently offered from other stations. The loss of K-LOVE would be a serious blow to our community, where many of our friends and family depend on its services.
3. The service provided by K-LOVE is certainly in the public interest. It is one of the very few stations that families can listen to together without fear of hearing foul language, music that disrespects authority, and commercials for like businesses.

I implore you to preserve the K-LOVE (and Air One) radio networks.

Thank you for your consideration.
